LEAF THE DESK

Be a frontrunner and strenghten the human connection with nature.

Invest in an inspiring and healthy working environment.

Contribute to the vitality and well-being of your employees.

Stimulate flexible working and outdoor activity during working hours.

Give meaning to Social Return by buying a product that, like LEAF the desk, is produced in collaboration with a 'Sociaal Werkbedrijf' in The Netherlands.

LEAF the desk is just one of the ways we improve conscious working and living. Want to know more about the things we do? Check us out!
